Declaration of Conformity

Product Name: Metallic Enclosures

EMF enclosures are UL registered products and are rated to meet or exceed NEMA ratings 1, 3R, 4, 4X & 12 per UL listing E94504. They are constructed in accordance with the Standard for Industrial Control Panels, UL 508A, 3rd Edition, and Industrial Control Equipment, CSA C22.2 No. 14, 13th Edition.

EMF enclosures with standard options and accessories meet the European Council Directive 2015/863/ EU (RoHS 3) amendment of 2011/65/EU (RoHS 2) including Annex II; recasting 2002/95/ EC (RoHS 1), on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).

EMF enclosures with standard options and accessories meet the European Chemicals Agency (ECHA) Regarding Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorization and Restriction of Chemicals (REACH 224 thru 6-1-2022).

The above REACH and RoHS statements are provided by EMF on a "best effort" basis using information available from our suppliers, published data and documentation from the European Chemical Agency. No attempt has been made to verify this information by third party analysis.
